

Logistics Trailer Talk

Logistics & Communications

PA Office of Emergency Services maintains disaster supplies at the 5 fire stations

The supply trailers numbers are the fire station numbers

Trailers Team Members (ESV Logistics) are responsible to DOC

In an emergency

Trailer Team Members will contact DOC for an assignment

Trailer Team Members may be reassigned to: standby, another trailer, neighborhoods, a CERT team, or DOC

Trailers are designed to supply CERTs

Trailers will supply ESVs

Trailer Team Members will monitor MURS frequencies and relay messages as required

Trailers contact DOC via amateur radio, or MURS

Supplies & Delivery

- DOC may request supplies for a CERT team, or a neighborhood
- DOC maintains a list of critical trailer supplies
- If NPCs can not contact DOC they may contact a trailer via MURS
- Runners from the CERT/neighborhoods are the preferred delivery method
- Trailers Team Members will deliver if there are sufficient members available
- Medical Supplies, Tools, Batteries
- See handout
